General Notes

1. This ledger is intended for use only as a planning tool. VELOX SUN TUNNEL Skylights will be designed with TPROOF 010 accessories and a minimum of local code requirements. The design is not to be used for any non-structural purposes or for buildings not conforming to the local codes.

2. The contractor shall ensure all materials and procedures are consistent with the manufacturer’s specifications and installation instructions. This includes, but is not limited to, building materials, adhesives, and fasteners.

3. The manufacturer guarantees the quality and performance of the materials and accessories provided with this system.

4. All dimensions are nominal unless otherwise noted.

5. Product-specific instructions are provided in the VELOX Product Data Sheet documentation.

6. VELOX recommends ensuring TPROOF 010 flashing is not clashed or restimming.

---

**General Arrangement Layout**

**Section A-A**

**Section B-B**

---

**TGR 010 Components**

**Quantity**
